

Climate Ready BC Seafood Program Proposal Form

Table 1: Organization Information

Legal name of primary contact	
Organization name	
Primary contact or organization email address	
Primary contact or organization phone number	
Mailing address	
Describe the organization's principal activities and objectives (50 words)	
Select the type of organization you are applying under	<ul style="list-style-type: none"> <input type="checkbox"/> Indigenous Organizations or Groups <input type="checkbox"/> Non-Governmental Organizations or Groups <input type="checkbox"/> Local Communities <input type="checkbox"/> Research Institutions/Enterprises <input type="checkbox"/> Industry Associations <input type="checkbox"/> Aquaculture Producers and Commercial Fishers

Table 2: Project Information

Project Title		
Project Purpose (50 words)		
Location Description (Geographic scope or nearest town/region)		
Amount of Funding Requested		
Total Project Budget (including funds from other sources)		
Has the applicant made any financial or legal commitments for the project?	N	If yes, provide details:
	Y	
Estimated Start Date (MM/DD/YY)		
Estimated End Date* (MM/DD/YY)		

***Note:** all eligible project activities must be completed by March 31, 2026

1. Provide a plain language, high-level project summary (i.e. key activities and outcomes). *Limit response to 250 words.*

2. Please describe how your project increases resilience or strengthens B.C. Food Security. *Limit response to 250 words.*

Climate Ready BC Seafood Program Alignment

- 3a. Please select the program area your proposal most aligns with:

- Advance scientific understanding of OAH
- Strengthen collaborations, knowledge transfer, awareness and understanding related to OAH
- Evaluate interactions between marine carbon removal technologies and OAH

- Enhance mitigation, adaptation and resilience strategies to OAH

3b. Describe how your project advances the selected program area. *Limit response to 250 words.*

4a. Does your project align with a primary or secondary priority activity?

Primary and secondary activities listed in [Climate Ready B.C. Seafood RFP Document p. 5-9](#).

- Primary priority activity
 Secondary priority activity
 Not-listed activity

4b. If listed as a priority activity, identify the activity your program most closely aligns with and how. *Limit response to 150 words.*

5a. Does the project advance any additional program area(s), if so please select:

- Collaborations, Knowledge transfer, Awareness and Understanding related to OAH
 Scientific Understanding of OAH
 Marine Carbon Removal Technology
 OAH Adaptation and Mitigation

5b. Describe how your project advances the selected program area(s). *Limit response to 250 words.*

6a. Does your project align with a primary or secondary priority activity?

Primary and secondary activities listed in [Climate Ready B.C. Seafood RFP Document](#) p. 5-9.

- Primary priority activity
- Secondary priority activity
- Not-listed activity

6b. If listed as a priority activity, identify the activity your program most closely aligns with and how. *Limit response to 150 words.*

7. Describe expected project benefits and outcomes. *Limit response to 250 words.*

8. Provide a brief summary of the main risks or challenges that your project may encounter, and how you will mitigate their likelihood or impact. Please include environmental and non-environmental considerations. *Limit response to 250 words.*

9a. List the key members of the project team, and provide experience or qualifications relevant to the proposal:

Name	Title	Qualifications

9b. Describe how your project team has experience delivering proposed project activities of a similar magnitude (scope, partnerships, budget, timeframe) or how you have identified approaches to successfully deliver the proposal. *Limit response to 250 words.*

10. If your proposal has supporting applicants or partners, please describe how these collaborations contribute (either financially and/or in-kind) to the achievement of your project. (Attach letters or other documentation confirming partnerships and the support or service being provided). *Limit response to 150 words.*

11. Does the project build a foundation for future or longer term objectives under the B.C. OAH action plan? If so, please include specific follow up actions that will/can be taken as a result of the project. *Limit response to 250 words.*

12. If applicable, provide a summary of how your project will support knowledge transfer, awareness and/or understanding of OAH. Please include which audience(s) your project will reach and approaches to communication and outreach. *Limit response to 250 words.*

13. If applicable please describe collaborations or relationships that will be developed or advanced during this project? *Limit response to 250 words.*

14. If working with Indigenous partners, please describe what steps you will take to ensure collaborative decision making and/or equitable engagement? *Limit response to 250 words.*

15. Does your project include bringing together diverse forms of knowledge? If so, please explain your approach and what protocols you will implement to ensure the protection of Indigenous Knowledge? *Limit response to 250 words.*

16. Please describe what knowledge gaps related to OAH in B.C. your project addresses and what information you hope to gain that will enhance the current state of knowledge? *Limit response to 250 words.*

17. List any licenses, authorizations, permits, or other permissions that will be required to complete the project, including projected timelines for approval, and current status of any applications. If permissions have already been obtained, please provide copies as supplementary material (e.g., aquaculture permits, fishing licenses)

Authorization Type	Timeline for Approval	Current Status

Workplan

All proposals must include a completed Work Plan attachment.

See [CRBS_Workplan_OrgName](#)

Budget

Applications must include a complete budget, including confirmed contributions from funding partners and project schedule.

See [CRBS_Budget_OrgName](#)
